

BNBstakePro

AntiWhale Pro Plan

<https://www.bnbstake.pro>

Investment Conditions

BNBStake - investment platform based on Binance Smart Chain blockchain smart-contract technology.

- Basic interest rate (only for new deposits):
+0.5% every 24 hours (~0.02% hourly)
- Total income (based on your tariff plan):
from 5% to 8% daily + Basic interest rate (growing daily)
- Minimal deposit: 0.05 BNB and no maximal limit
- Earnings every moment, withdraw any time
if you use capitalization of interest you can withdraw only after end of your deposit
- 50% of withdraw amount will Auto-Reinvest to stop Whales withdraw and this increase your earnings and sustain the system for long Run

Investment Plans

We have two types of tariff plans with different periods and percentages of profitability

Plan Type №1 (orange) - Withdraw profit any time

- Plan 1 - (14 days) - 8% per day - 112% profit
- Plan 2 - (21 days) - 6.5% per day - 136% profit
- Plan 3 - (28 days) - 5% per day - 140% profit

Explanations:

1. Starting percentages (what you see on the slide) increase every day by 0.5%
For example: on plan 1 on day 20 of the project, the starting percentage will already be equal to 18% per day ($20 * 0.5 + 8$)
2. The percentage is fixed at the start of the plan.
For example: on the 12th day of your plan, the percentage will be the same as it was at the very beginning of its work.

Investment Plans

We have two types of tariff plans with different periods and percentages of profitability

Plan Type №2 (green) - Withdraw profit end of plan + use capitalization of interest

- Plan 4 - (14 days) - 8% per day - 193% profit
- Plan 5 - (21 days) - 6.5% per day - 275% profit
- Plan 6 - (28 days) - 5% per day - 292% profit

Explanations:

1. Starting percentages (what you see on the slide) increase every day by 0.5%
2. This plan type use capitalization of interest (every day) to calculate the percentage of profit.
example: in 1 day you get, + 8% for the amount of 1 BNB = 1.08 BNB. On the second day, you will already receive 8.5% on the amount from the previous day $1.08 * 8.5\% = 1.1718$ BNB. The next day, 9% on the amount of the day passed, and so on.
3. The profit percentage is growing every day.

Referral System

Get additional income by inviting people to follow your link

You will receive:

- 5% from each level 1 referral deposits
- 2.5% from each level 2 referral deposits
- 0.5% from each level 3 referral deposits

Explanations:

1. You need to have at least 1 deposit to start receive earnings
2. You need to use your referral link to record the people you refer
3. Your reward is credited to a separate place in the smart contract and can be withdrawn at any time by pressing a button «Withdraw BNB»
4. It is forbidden to use illegal methods of advertising your referral link

Connecting to BNBStake

- MetaMask can be downloaded on Chrome and Firefox, or on iOS and Android if you're a mobile user here: <https://metamask.io/download.html>
- Next, follow along with the setup specified by the app. Go ahead and click Create a Wallet. Write down the backup seed phrase somewhere secret
- Select Settings from the dropdown menu
- On the Settings page, we want to locate the Networks menu
- Click Add Network in the top-right corner to manually add the Binance Smart Chain one (see next page)
- Once you Save the Network and return to the main view and select Binance Smart Chain
